Features that set our hospice apart from others

- **The Mary McCarthy Hospice House**
A state of the art short term residence for terminally ill patients, providing a peaceful and caring setting for both patient and family needs.
- **Grief Support Center**
Providing counseling and support on both an individual and group level for anyone experiencing grief or loss. Kids Grieve Too!® provides special support to young people in our community.

*If you're thinking of a career in hospice, there is a choice—
make the choice that
makes all the difference!*

Would you like your work to be personally rewarding?

As an employee of Hospice & Palliative Care of Cape Cod, you'll be working in an environment where the uniqueness of each patient and their family members is valued. You'll be part of a team providing care and support to meet their physical, emotional, psychosocial and spiritual needs.

You'll go home at the end of every day knowing you've made a difference in your patients' lives—*helping them to live to their full potential through the progression of their disease.*

You're provided the time and resources to give quality care to your patients—the reason you entered the health care profession.

You'll be working in a team-based organization that is committed to core values such as effective, honest and respectful communication, creativity, risk taking and personal responsibility.

**There are a number of hospices
on the Cape -
WHAT'S SPECIAL ABOUT
HOSPICE & PALLIATIVE CARE**

**We're the pioneer in hospice
services on the Cape.**

Hospice & Palliative Care of Cape Cod was the first hospice established here on Cape Cod.

Founded by Mary McCarthy in 1981, it remains today the area's only independent non-profit organization offering hospice services.

Hospice is our passion.

We are unique in our exclusive dedication to providing the best support possible for our patients and families experiencing the end-of-life process. It isn't an after-thought or an add-on program- it's our specialty and our passion.

**Our staff is recognized for its
training and expertise.**

Our clinical staff has the highest level of training and certification available in the field of hospice.
